

PRESS RELEASE – For Immediate Release

October 10, 2017

Terrace Community Foundation establishes new grant cycles

The Terrace Community Foundation will now be accepting grant applications twice per year and its first cycle, with new and revised grant criteria, is open to November 1st. The Foundation currently grants funds from interest earned on a community endowment established in 2011 and a contribution from the City of Terrace.

“Our updated grant criteria and application process will allow us to provide a consistent and predictable service to the community,” explains Hilary Lightening, Foundation Chair. “We want the community to keep us in mind when they have a funding need for projects that provide a service to the community or resolve a community challenge.”

Organizations that used to apply to the City of Terrace should now be directing their applications to the Terrace Community Foundation. Funding is based on demonstrated financial need and grant amounts will be determined on fund availability.
