

Honour Norm with a donation to the Terrace Community Foundation: **"Norm Parry's Visionary Fund"**

Celebrating the Terrace Community Foundation's 10th anniversary at George Little Park (April 2021).

At Norm Parry's request, the **Terrace Community Foundation** is establishing "**Norm Parry's Visionary Fund**." An endowment will be created to support community development in the Terrace area. Earnings from the endowment will be issued as grants to non-profit organizations providing services to residents of Terrace and area.

Norm requested this Fund's focus areas be wide-ranging, aligning with the expansive mandate of the Terrace Community Foundation. Grant applications could therefore be received from such diverse areas as recreation, the arts, education, health, natural environment or social development. The Terrace Community Foundation Board will be assigned responsibility for review and approval of community grants from the Parry Fund.

Donations \$20 and over are eligible for a tax receipt. Preferred methods to make a donation are etransfer (info@terracecf.ca) or cheque payable to the "**Terrace Community Foundation: Parry Fund**". Online donations are also welcome. Visit the *Donate* Now page on www.terracecommunityfoundation.com for instructions.

Opening of TORCA's Hey Bear and Shangri-la Trails.

Norm Parry, Director since 2017 and Chair of the Terrace Community Foundation from 2018 to 2022.
