 Your Gift. Your Community. Your Legacy.

Ten Years of Giving

April 2021

The **Terrace Community Foundation** is an apolitical, philanthropic organization whose purpose is to receive donations and provide funds to charitable organizations to build a resilient, resourceful, caring community.

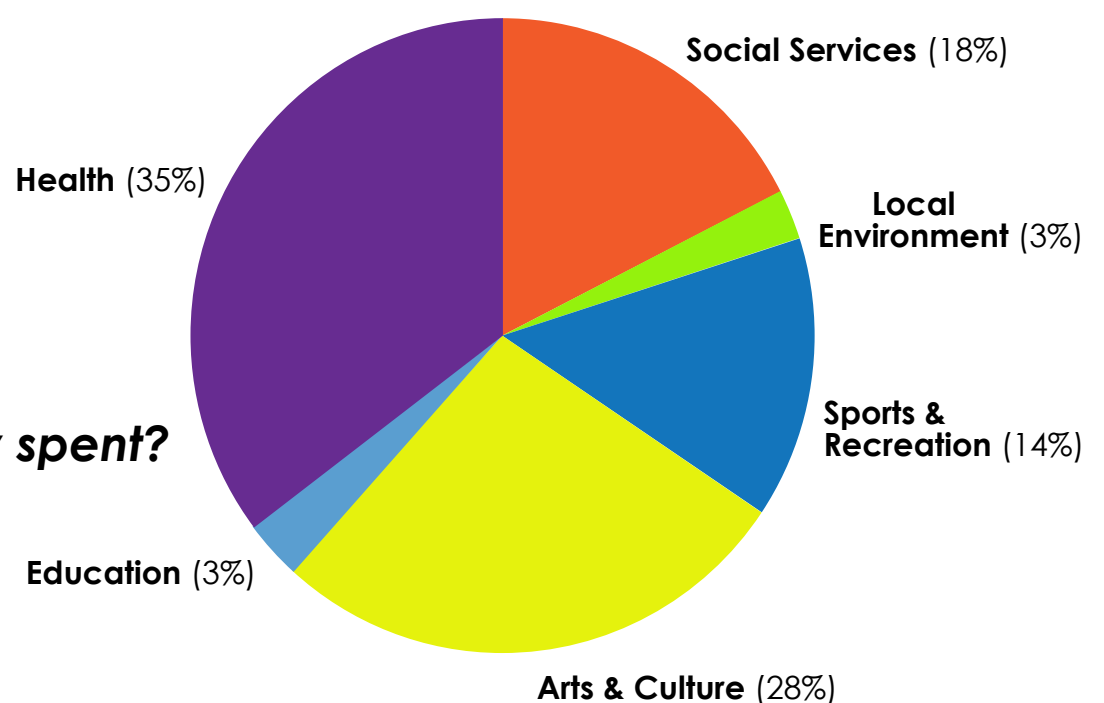

The **Foundation** was created by the City of Terrace in 2011, with this April marking our 10th anniversary. We are a federally registered not-for-profit corporation, governed by a volunteer Board of Directors. In addition to the Foundation's own funds, we have administered since 2017 community grants on behalf of the City of Terrace, provided a "flow-through" for industry partners' charitable initiatives and facilitated senior government program funds such as Canada 150 and COVID emergency relief. The Terrace Community Foundation's **Endowment Fund** is invested with, and managed by, the Prince George Community Foundation.

Grants made by the **Terrace Community Foundation** to community groups and non-profit organizations are directed to a broad spectrum of community needs. Eligible areas include health, the arts, education, recreation and the natural environment.
